## Kapil quizzed by youngsters

DUBAI — Kapil Dev spoke to Birla Institute of Technology and Science (BITS) Pilani, Dubai University's cricketing-playing students during his flying visit to *Khaleej Times* on Wednesday afternoon.

The youngsters quizzed the ex India paceman on certain experiences and instances throughout his glittering career, which saw him claim 434 wickets in 131 Tests and lead his

native country to the 1983 Cricket World Cup.

Kapil, for his part, was keen to get across his involvement in cricketfreeQ – a multi-media website designed to promote the sport through an online medium amid the increasing time constraints of modern-day life.
